

THE POLICE TREATMENT CENTRES

A Force For Promoting and Improving Health and Wellbeing

Self-Catering Cottages

The Charity has self-catering cottages available within the grounds at each Centre which may be available to assist in accommodating Patients who have a family, or personal circumstances where 'family' accommodation would support their ability to attend for treatment e.g. resident dependant / disabled member of the family.

- Admission will normally be for one week.
- Please see your confirmation letter for arrival time.
- Please ensure that the cottage is vacated by 10.30am on the day of your departure.
- Please be aware that admittance on a Sunday is not permitted unless there are exceptional circumstances and prior arrangements have been made.
- Any personal property that you bring with you to the Centre is done so at your own risk – the Centre cannot be held liable for damages.
- Please note that personal pedal cycles cannot be brought into the cottage; however, limited storage may be available on request. Please bring your own lock.
- Please note that the cottage is available on a strictly self-catering basis and meals cannot be taken within the Treatment Centre.
- The facilities of the Treatment Centre are only available to the Patient.
- The cottage is fully self-contained and all linen and towels are provided.
