Informed Consent

You are required to complete this form prior to using the gym and pool facilities at the PTC. By signing you agree that you have read and understood the following

- The clinical team will check the information given on this form and deem whether you are safe to use the facilities. We will inform you if we deem you clinically unsuitable.
- Individuals participate in using gym equipment and leisure facilities at their own risk. Accidents or incidents must be reported immediately to the fitness/physiotherapy or nursing teams.
- If you are unfamiliar with any item of equipment, or uncertain of the correct method of operation, then you must ask a fitness instructor for assistance prior to use.
- If you are a non/weak swimmer or have not swam for a long time please let the on duty pool responder know before commencing swimming.
- It is the individual's responsibility to participate at a level which is appropriate to their symptoms and capabilities and to stop at any time due to fatigue or discomfort.
- There are some risks associated with exercise, such as abnormal blood pressure, fainting, irregular heart rhythm and, in rare circumstances, serious illness. It is impossible to predict the body's exact response to activity and if symptoms do occur, or if you feel at all unwell whilst exercising, please inform a member of the fitness/physiotherapy or nursing team.
- The hydrotherapy is for **Physiotherapy** patients only.
- Information about using the steam and sauna can be found outside the rooms, please be mindful of using the leisure facilities. If in doubt, please ask a member of staff to ensure your wellbeing and safety at all times.

I freely consent to the Charity recording such information and matters regarding myself on file as required by the Data Protection Act (1998) and in line with GDPR.

The information that I have provided is correct to the best of my knowledge, and I understand that I use the facilities and equipment at my own risk. I understand that if anything changes regarding my information, it is MY RESPONSIBILITY TO INFORM THE CLINICAL TEAM OF THESE CHANGES.
