Infection Control Guidelines

You will, I am sure, appreciate that the environment of the Police Treatment Centres is such that common cold, flu, diarrhoea, vomiting and similar infections, can spread very quickly amongst our Patients.

In the event that you or other members of your household display any such symptoms in the 48 hours prior to your stay, I would ask that you **postpone** your stay rather than risk causing contamination to others.

If you require advice, please contact the Nurse on duty:

Telephone: **St Andrews 01423 504 448**
Castlebrae 01764 664 369

Should you wish to postpone your stay, please contact the Centre you are due to visit on the afore mentioned telephone numbers. You should also contact your force Occupational Health Unit/Force Federation directly.

Yours sincerely,

Patrick Cairns MA, BA(Hons), CMgr FCMl
Chief Executive

St Andrews
